President's Message

I would like to wish all the shooters a great 2011 target season. Hopefully the weather will be better than it was last year.

Congratulations to Patrick Lamont, Robert Lamont, Brian Johnson, Larry Desjarlais and Rodney Stuart for making the Manitoba Provincial 2010 1st place All Star Team.

Victoria Jones made the Ladies All Star Team with a overall score of 88.07. She was also the High A.T.A. Average Lady shooter with a overall score of 88.67. Trevor Lewarton received High A.T.A. Average for Junior with a score of 96.25.

The Portage Plains Gun Club will be hosting the Manitoba Provincial Championships July 8, 9 and 10, 2011.

The MJSA Junior Championships will be held on June 26, 2011 at the Pembina Triangle Gun Club.

For those who like things a little faster, Winnipeg Trap and Skeet Club will be hosting the International Trap Provincials August 6 & 7, 2011.

Best of luck to all shooters in 2011.

Jim Turner
President

Manitoba Trapshooting Association Update

There have been a number of inquires over the past couple of years as to funding for travel to Trap Shoots outside of Manitoba. There was a blurb in the fall newsletter but I thought that if the information is in this booklet then everyone can read it again.

The funding for all programs comes from Sport Manitoba. In order to get funding the MTA board must submit a plan for how the funding will be spent a year in advance. All spending must fit into Sport Manitoba's criteria to be approved.

Our programs provide for two levels of assistance:

The first is from the MTA and assists the Manitoba Provincial Champion of Singles, Handicap, and Doubles to train and attend Canadian and World Championship events. If the champion cannot attend then consideration will be given to runner-ups, class winners and possibly the 1st All Star Team. The amount available will depend on funds available and number of athletes requesting assistance. The funding is on the basis of the decision of the Board of Directors of the MTA. All athletes must complete and sign the athlete assistance form and submit it to the Secretary/Treasurer by September 1st of the current year.

The second level of funding is from Sport Manitoba. This funding is for Provincial Champions only, who attend either the Canadian or World Championships. Sport Manitoba requires that the athletes place in the top 10% or top 10 at the national or international championships. Some latitude is given in the case of Juniors and Sub-Juniors to attend other championships. Champions are asked to report scores & placing to the secretary/treasurer of the MTA and will be sent a Sport Manitoba Form for completion. This form must be filled in and returned to the secretary of the MTA (to be signed) then forwarded to Sport Manitoba for consideration.

I hope this clarifies some questions. Best of luck in the 2011 season.

Kevin Brown
Past President

July 31 - August 1	South Dakota	Central Zone
August 3-13	Sparta, Illinois	Grand American

Shooter's Responsibility

1. All shooters participating in any part of the program must have their current ATA average card.
2. All scores must be posted on the card and averages figured and up-to-date, before presenting it to the classification committee. The committee may reject any card not up-to-date.
3. Be certain, once entry is made, it is final. NO additions or with drawl will be allowed after the event is started.
4. Watch the boards and be ready to compete when your squads called to the firing line. There will be no waiting for tardy shooters.
5. If you miss your squad, you may make up to 50 targets on the practice trap at the committee's discretion, otherwise report to the office and you will be re-squadded in the last squad if time permits.
6. No scores will be recorded if they are shot in any squad other than the one assigned by the office.
7. Check scores after each post shot and be certain that they are correct before firing at a target at the next post.
8. Only errors in addition may be corrected after a score sheet leaves the trap.
9. Conduct yourself in accordance with ATA rules at all times.
10. Double check your entry cards, be certain of your class and yardage. It is the responsibility of Ladies, Veterans, Senior Veterans, Juniors and Sub-Juniors to see that they are properly entered on their cards and the bulletin sheets. Report any errors or omissions on the bulletin sheets to the cashier and score board attendants.
11. If you win or tie for a class or win yardage, report to the classification committee and have your card updated. Reclassifications and earned yardage will be posted on the score board, be certain to check, it is the shooter's responsibility to be in correct class and shoot the correct yardage.

Respect in Sport Policy

1. The Manitoba Trapshooting Association Inc. is committed to creating a sport environment in which all individuals are treated with respect and dignity. Coaches have a responsibility to create a sporting environment that is free of harassment and abuse.
2. The Manitoba Trapshooting Association Inc. requires that all coaches participating in trapshooting have completed the online “Respect in Sport” as required by Sports Manitoba.

Scope and Application

1. The policy applies to all coaches registered with; or named on a official sport roster; or under the jurisdiction of the Manitoba Trapshooting Association Inc.
2. Any coach not having completed the program or maintained certified status in the timeframe established by the Manitoba Trapshooting Association Inc. may be removed as a coach until such time that the course is completed.
3. The Board of Directors of Manitoba Trapshooting Association Inc. is responsible for setting out the communication and timing of course completion and recertification.

Enforcement

Non-compliance of this policy may result in further discipline as determined by the Board of Directors or in accordance with Manitoba Trapshooting Association Inc. Policy.

Review and Policy

This policy was approved by the Board of Directors on October 31, 2010 and will be reviewed by the executive committee on an annual basis.

International Trap

Winnipeg Trap and Skeet Club is an outstanding shooting facility, unmatched in Canada.
Only 2 other clubs have two Olympic bunkers.

This year there will be two opportunities to compete in Olympic Trap in the Province:
June 11 & 12 Fun shoot
and
August 6 & 7 Provincials

The WTSC bunker facility will be open every Tuesday, Thursday and Sunday during the summer months for practice or by appointment.

Members and Guests are \$6.00 per round,
Non-members are \$10.00
Members of MTA affiliated club shoot for members pricing.

MTA *'Try-it you'll like it'* program in effect for new shooters

Instruction available.

Quality White Flyer targets will be thrown
and the table changed weekly.

24 gram Ammunition will be available from the club

Trevor Lewarton	96.25
Runnerup: Terrell Kerbrat	89.71

*To be eligible for Allstar teams in Manitoba,
competitors must shoot the minimum targets as below.*

	MEN	LADIES	JUNIORS
SINGLES	700	400	500
HANDICAP	500	200	
DOUBLES	400		

Targets shot in Manitoba registered shoots are recorded by the M.T.S. Secretary and used in Conjunction with the annual A.T.A. yearbook.

With the minimum targets shot, the A.T.A. average for each discipline will be used, and the average of the three averages will determine the final position.

Promatic Inc. introduces the new

Double ATA Machine

Promatic has introduced a completely redesigned ATA doubles machine for the American ATA market.

The new Double ATA has been redesigned from the base up and adds many new features including improved performance, durability and the ability to adjust height, spring tension and tilt without the use of a wrench, making the change from singles to doubles quick and easy.

Standard features will include:

- Sixteen column 550 target carousel means the overall trap height is reduced.
- Upgraded bearings and linkages for increased durability.
- Steel mainframe with hard blue polyester finish.
- Solenoid Release for instant and accurate target release.
- Aluminum throwing arm with Polyurethane strip.
- Height adjustment without the need for using a wrench.
- Spring adjustment without the need for using a wrench.
- Tilt adjustment without the need for using a wrench.
- Quick and easy switch from singles to doubles.
- 12v or 110v via transformer.
- Durable and simple 12v electrical control box with random interrupter.
- Double Wobble version also available.
- 3 year warranty.
