This is a great event for kids 4 to 14 with a chance to catch and release some very large fish the total limit of participants is 100 and with that we expect to have 40 to 50 kids in attendance.

This is an ideal event where in the past many kids have had the opportunity to catch their "FIRST FISH" This is the perfect event for either Grandpa and Grandma to bring their youngster on for the whole family to attend. We hope you can attend and bring a child it will be a day they will never forget.
